Secretary Redfield fears the rail roads will be swamped by the com-mercial development. It is under stood he feels no worry about account trouble for American ships.

If it's any comfort to those London papers that are grieved because the President's message didn't demand at immediate entry into the war on the side of the allies, it might be stated that he is reading the American papers these days;

"The country is waiting for strong, clear lead, says Lord Beres ford. This predicament is character istic of a muddle form of governmen Germany's strong, clear lead was pre pared years in advance, and was Belgium attacked her she was ready

When the Oscar II sailed away the bellhops, clerks, waiters, porters and cooks at the hotel Biltinore were Henry Ford left \$1,000 be in tips. Sixteen years ago Henry Ford was so poor that he car ried his own vallee and he wouldn't have known a bellhop if he met one in the city park.

Empeter Franz Josef has refused to send Austrian troops to the aid of Germans and Turks in the propose expedition against Exppt. soldiers on the western front of Austria and making existence bell for Pranz Josef's warriors. Self-preservation is the highest law of nature and the Austrians are aware that the Italians nate thom as bitterly a John Bull hates the kaiser.

Marse Bidney Watterson and his wonderful wife are getting ready for their golden wedding. He is some netween his 70th and 180th milepost but remains the dean of American fournalists and the me picturesque as well as the most lov able figure in the newspaper world There is only one Henry Watterson and when he passes on his country men will be sorry. He hasn't accum plated a vast fortune but he has accumulated a vast number of friend throughout the length and breadth this nation and are even found

John R. Balderson, an America that Britons entist when gloomy an shirk when all seems well. This wa has not produced one Napoleon leader, warrior or statesman for the British isles. General Botha is the most dashing soldier of the Reitis! empire today. His achievements to South Africa won for him renown well as military glopy. He lan's a Englishman, a Weishmann, an Iris man or a Scotchman. He is a fint-

## IF BACK HURTS **BEGIN ON SALTS**

Flush the Kidneys at once when Backachy or Bladder bothers-Meat forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidners occasionally, says a wellwhich clops the kidney pores so they stuggishly filter or strain only part of the waste and poisons from the blood, then you get slok. Nearly all rheuma tism, headaches, liver trouble, nervous new constitution, distincts, sleeples new hi dder disorders come from abuggish kid

The moment you feel a dull ache in the kidneys or your back horts, or if the prine is cloudy, offensive, full of sadi-ment, irregular of passage or attended by a sensation of scalling, get about four ounces of Jad Salts from any reliable purronary and take a tablesmoonful is a glass of water before breakfast for a few days and your Ridneys will then act line. This famous Salts is made from the cold of samous Salts is made from generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder dis-

Jad Salts is inexpensive and can not injure: makes a delightful effer-vescent lithis-water drink which all regniar meat enters should take new and then to keep the kidneys clean and the blood pure, thereby avoiding serious hid-

oer and blu wife is a grandulece of THE DAILY LEADER Robert Emitte. The war lords Great Britain should order General Botha to the command of the soldiers in the Bulkans, Unless they do semething it will be necessary for the at the Guthrie postoffice as second class | British war office to invite the mikado to send an army of Japanese sol-diers to Europe to assist the allies.

#### EFFICIENCY ABSURDITIES.

The cause of efficiency suffers uch at the hands of its friends mays the Minneapolis Tribune. From the sublime to the ridentons, they ought o remember, the step is short and ne descent rapid. Witness, for in mace, what efficiency's friends are ng to it in New York city. he public improvement bureau, a err good institution us the facts ave proved, is in quest of employes uder 21 years of and. To get the repounds %1 questions to the randi-tates, and these questions, all 88 of the candidates must answer Among them are fived

Of what particular benefit has your realing been to you?

Has may one ever suggested or ad-yland, you what your future course should her. If an who gave such addee and what was the nature of it Sight hearing smell-good, fair or

Who has shown the greatest inter-What kind of reading have you

What is your ambition? Does your mind concentrate

Are you trustworthy? Are you inclined to be lazy?

Are you willing to pay the price n hard work to obtain success?

Presumably, if the candidate relies to these queries, and to others f similar character, in a manner sat-factory to the examining board. here is a fair prospect of his obtainis a position. But everything condered, what can be the good such inquiries concerning the candi-tate's moral status, does the bureau ancy that the candidate will reply On Oct. 15th o his own disadvantage? And, even | went to Book

nd thoroughly honest with himself and honest in his replies, would his spiles he worth anything? Can be gie again; we move y seed our time, ward and I talked to bim. Give my has he faced temptation so that he move his own strength? Is he, in bort, competent to make intelligent my bearings before apending esponses to there questions? Indeed, can any one, at any age, an

wer these queries" Who, for mple, is wise enough, even with a fetime of experience behind him, to whether he is merely lazy ndustrious enough, lacking in initta tive? And who will define "abso-lute honesty"? Who will say what eling "conscientious" is? And so on drough the entire list And I smong the candidates, there are rose sagardous enough to make i 'elligent responses, who shall say they are satisfactory responses Who, in other words has self-accur ace enough to grade these papers and could any question in the world e more superfluous than the secon--f Has any one ever advised you what your future should be?" War the candidate born without a mother?

If the fire bell should ring would ou run and stop it or go and help out out the fire? It is much the same vay with a cough. A cough is a fancer signal as much as a fire bell You should no more try to suppress I han to stop a fire bell when it i inging, but should cure the disease hat causes the coughing. This can such it is especially valuable for a persistent cough that so often fol Mrs. Thomas Beaching. An irrist and his house are rows, Ind., writes: "During the winer my husband takes cold easily and oughs and coughs. Chamberlain's th Remedy is the best medicine or breaking up these attacks and Obtainable everywhere,

# CAPT. WELLS TO Again Heads Democratic MURDOCK TELLS LONDON AMERICA FAVORS ALLIES

ALSO SAYS THIS COUNTRY DOES NOT DESIRE PROFIT FROM WAR

London, Dec. 12-Belore an unuscally large and apprecia-, gathering at the American Luncheon Club ex-Congressmen Victor Murdock, of Kansas made an address today on The American Standpoint," in which be severely attacked the government's attitude on war and declared that a live months' trip through the states previous to his visit here had showed him that the sentiment was for end-Senator John W. Kern of Indiana ing the war as soon as possible and

> were directly benefiting. His statement that his political chief. Theodore Roosevelt, was the greatest American was loudly applauded and the club, composed largely of business men of big interests, cheered every reference to the ex-president. How Americans Abroad Feel.

It was plainly evident that Amerigovernment's attitude on w questions of national honor.

"I've just completed a five smonths (rip through every part of the states) Mr. Murdock said, "and I want to tell you that the great mass of the people is not benefiting through the war. We have our problems some of them big ones, and the question of unpreparedness. We are a long way from the front and the man in Wichita knows Strumnitza as a place in Europe 5,000 miles away, but he may not know what is going on there. The conditions holds all over the country Though we may not know the detells we know a great war is being fought and that we should do everything within our power to bring it to as early an end as possible. Pity For Belgium.

"We can't look unmoved on Belium's plight nor on the sinking of he Lusitania. We have our obligations and we must meet them."

## WILL MAKE GLASS CASKETS AT ADA SOON

Ada. Okla., Dec. 13.-Robert Ballentine and T. C. Hamilton of Blackwell, and W. L. Peck of Oklahoma City, president, vice president and secretary-treasurer of the American Glass Casket company, have been in Ada the past week making final arrangements. for the building of the big factory here. They were in conference with H. E. Morrison, industrial agent of the Frisco, and settled the matter of trackage for the plant.

Mr. Ballentine has just returned rom the east where he has been invoctigating the machinery for the plant. He believes work will begin not later than the middle of January.

"BIG JIM" ARRIVES.

Washington, D. C., Dec. 13 - James farron of Wagener, Oldahoma, known by Oklahomans as 'Big Jim' is in Washington today. He arrived last alght. Harris is national committeeman for Oklahoma and is here to atand the rational Republican comwifice meeting to be held Tuesday. When asked as to the probable selection of a meeting place he said; "St. Louis is closer to my people than any other candidate and the boys lown mp way are not overly flush."
